

**Maine's East Coast Greenway, Section 3B**  
 River Route, 177 miles via Lewiston, Augusta, Waterville and Bangor

MAP 300 MAIN COAST COVER FOR SECTION 3B

This Map Prepared by MAPPING & MEDIA SERVICES, Maine Department of Transportation

**Section 3B** extends from Brunswick to Ellsworth via an inland River Route that connects Midcoast Maine to Downeast Maine over its 174 mile length. The River Route offers gorgeous views of Maine's interior that includes the Androscoggin, Kennebec and Penobscot River Valleys. Be sure to leave plenty of time for exploration because there are numerous museums, historical sites, hiking trails and other interesting sites along the way.

**Special features:**

- Exploration of three river valleys,
- Maine State Capitol in Augusta,
- Maine State Museum in Augusta,
- Bates College in Lewiston,
- Colby College in Waterville,
- Historic sections of Bangor.
